

# Settlement data request

Requests are usually finalised within 3–5 business days.

Further information to assist you to fill in this form, understand what types of information is available, definitions and how the reports can be used is available on the Department of Home Affairs (the Department) website at <https://immi.homeaffairs.gov.au/settlement-services-subsite/files/settlement-database-data-dictionary.pdf>

### Important information about privacy

The *Privacy Act 1988* contains 13 Australian Privacy Principles which regulate the way that the Department collects and handles personal information. Information about how the Department collects, uses and discloses personal information for its key functions can be found in Form 1442i *Privacy notice*. More information about the Department's general information handling practices (including Form 1442i) can be found in the Department's Privacy policy at <https://www.homeaffairs.gov.au/access-and-accountability/our-commitments/privacy>

Please note that the Department is limited in the size of data sets it can provide. As such, data sets requested from the Department cannot contain more than 12 columns (i.e. values relating to Country of Birth, Ethnicity, Language, Religion, Visa subclass, Local Government, etc). This allows the Department to promptly respond to requests, while ensuring compliance with its obligations under the *Privacy Act 1988*, which require personal information contained in data sets to be de-identified prior to disclosure.
