# Visitor Visa Application for Auckland Region Applicants

for a temporary stay in New Zealand

#### Apply for your visa online - it's faster & easier

The fastest and easiest way to apply for a visitor visa is online. Once you have your documents prepared, it should take less than 15 minutes to complete the online application form.

To apply online, go to www.immigration.govt.nz/visit

#### Use the guide to help you complete the application form

Read the *Visitor Visa Guide (INZ 1018)* before you complete this application form. The guide contains helpful information about how to complete the application form, and detailed information about the evidence and documents you need to send to us.

This form is for applicants for visitor visas who **live in the Auckland region only**. If you do not live in the Auckland region, or you are applying for a limited visa, please use the *Visitor Visa Application (INZ 1017)* form.

If you are applying for a visitor visa based on a partnership with a New Zealand citizen/resident, or someone who holds (or is applying for) a temporary visa, please use the *Partnership-Based Temporary Visa Application (INZ* 1198) form.

When you have completed the form, use the checklist at the end to make sure you have sent all the documents and information we need. You do not need to supply your passport with this application. If the application is approved, we will provide an "approval letter" instead of a visa label. You may use the approval letter in exactly the same way that a label would be used.

We will process your application only when we have received **all** the information and documents we need. If you do not send all the required information, we will return your application.

You can use this form to apply for a visa for a single applicant or for a family. A family may include a principal applicant, partner, and dependent children aged under 20 years.

#### **Immigration Advisers Licensing Act 2007**

Under the Immigration Advisers Licensing Act 2007 it is an offence to provide immigration advice without being licensed or exempt. If your immigration adviser is not licensed when they should be, Immigration New Zealand will return your application.

For more information and to view the register of licensed advisers, go to the Immigration Advisers Authority website **www.iaa.govt.nz** or email **info@iaa.govt.nz**.

Lawyers provide immigration advice and are exempt from licensing under the Immigration Advisers Licensing Act 2007. For more information and to view the register of immigration lawyers, go to the New Zealand Law Society website **www.lawsociety.org.nz**.

When filling in this form, please write clearly in English using CAPITAL LETTERS.
