Printed Name: _____

Signature: _____
Date (mm-dd-yyyy)

If you have had a significant change in your medical status that may affect your medical clearance and worldwide availability since your pre-employment medical clearance exam, please send an e-mail to MedClearances@state.gov with a self-report of any new or previously undisclosed medical or mental health problems. If you have a medical report from your health practitioner, include it. Someone from the Office of Medical Clearances will advise you if the information will impact your Class 1, Worldwide Available status.
