- The Keystone logo does not appear on personalized registration plates.
- Requests for personalized registration plates are restricted to passenger vehicles, trailers, or trucks with a registered gross weight or combination gross weight of not more than **14,000 lbs.**
- Please use capital letters and print clearly. When requesting a numeric character of zero, please show as "Ø" instead of the alpha character "O." Since this is an electronically fillable form, after printing the form, please be sure any zero is marked with a "/."
- PennDOT reserves the right to limit or reject requests.
- The fee to personalize your commercial registration plate is \$112. The registration on your vehicle must be current in order for PennDOT to process your request. **The \$112 fee covers the cost of your personalized registration plate order only and will not renew your vehicle's registration.**
- To check personalized registration plate availability, visit PennDOT's Driver and Vehicle Services website, www.dmv.pa.gov, and select Plate Availability from the list of services under the Online Services heading. Personalized registration plates will not be reserved until PennDOT receives payment and a completed application, and approves your requested registration plate configuration [number(s) and/or letter(s)]. Please note that registration plate requests are processed on a first-come, first-served basis. Although a requested registration plate configuration may show as being available on the website, it is possible that a request for the same registration plate configuration may have already been submitted by another customer and may not be available when making application.
- Personalized registration plates will be manufactured on the basis of this application. **NO REFUND** of the fee will be issued when an applicant cancels a request after the order is placed with the manufacturer.
- Allow eight to 10 weeks for delivery.
