During the time your driving privileges are surrendered, you are NOT permitted to drive vehicles that require the classes and/or endorsements surrendered.

If you do not surrender all classes and/or endorsements, contact a DMV service center to complete an application and pay a duplicate fee to obtain a license reflecting the remaining classes and/or endorsements.

When you are eligible for licensing of the surrendered classes and/or endorsements, a duplicate or renewal license will be required.

If you have Power of Attorney OR guardianship of driver, you must provide a copy of the court document for proof.

Drivers over the age of 65 who surrender driving privileges may apply for a non-expiring ID card by going to [wisconsin.gov/id](https://www.wisconsin.gov/id).
