SPECIAL MOBILE EQUIPMENT

I certify that the vehicle described above is equipped for safe operation on Connecticut highways, including brakes and signal lights where required. Vehicle will not be operated upon or across any highway one-half hour after sunset to one-half hour before sunrise or other times of insufficient light unless equipped with headlights and tail lamps. Movement of the vehicle will be restricted from place of storage to the construction site or from one site to another. Vehicle will not be used to transport passengers or payload when on highway except when operating on highway construction project or on construction project which requires crossing highway to the extent required by the project.

SPECIAL MOBILE AGRICULTURE VEHICLE

I certify that the vehicle described above is a vehicle operated in conjunction with the commercial operation of agriculture support, where commercial operation of agriculture support is limited to those services provided by a commercial entity to the agriculture industry and shall be limited to the spreading or spraying of materials to promote the growth of crops. I further certify that the vehicle described above is equipped for safe operation on Connecticut highways, including brakes and signal lights where required. The vehicle will not be operated one-half hour after sunset to one-half hour before sunrise or at other time of insufficient light or unfavorable atmospheric conditions when persons or vehicles on highway are not discernible at a distance of 500 feet ahead or at any time during periods of precipitation, including, but not limited to, periods of snow, rain or fog. Movement of the vehicle will be restricted to or from its place or storage, to or from an agriculture location, or from one agriculture location to another. Such vehicle shall not be used for the transportation of passengers when operating upon or across a highway.

CERTIFICATION STATEMENT

The information provided to the Commissioner of Motor Vehicles herein is subscribed by me, the undersigned, under penalty of false statement, in accordance with the provision of Section 14-110 and 53a-157b of the Connecticut General Statutes. I understand that if I make a statement which I do not believe to be true, with the intent to mislead the Commissioner, I will be subject to prosecution under the above-cited laws.
