**FARM REGISTRATION CERTIFICATION**

E-110 REV. 3-2022

STATE OF CONNECTICUT  
**DEPARTMENT OF MOTOR VEHICLES**  
 VEHICLE BUSINESS REGULATIONS  
 On The Web At ct.gov/dmv

To qualify for a Farm Registration, the applicant must operate a commercial farm or agricultural business located in Connecticut. Per Section 14-49(q) of the *Connecticut General Statutes*, a vehicle is eligible for a farm registration if it is used **exclusively** in connection with the commercial operation of a farm or agricultural business in Connecticut with **GROSS ANNUAL SALES OF \$2,500 OR MORE**. No vehicle with a farm registration may be used for the purpose of transporting goods for hire, personal use, non-farm business, pleasure, recreation, or commuting to school or to non-farming employment. To obtain either a **NEW** or **RENEWAL FARM REGISTRATION, YOU MUST PRESENT THIS FORM**, signed with the information below completed, which certifies that you meet the legal requirements to obtain a Farm Registration for your vehicle.

To obtain a NEW Farm Registration, a CONNECTICUT REGISTRATION AND TITLE APPLICATION (Form H-13B) must be completed, signed and submitted with the required fees. A Connecticut Insurance card on the vehicle is required. Vehicles not previously registered in CT must have a VIN verified at VIN verification station or DMV Inspection Lane. See our website for more information and a link to a list of stations. A current copy of a FARMER'S TAX EXEMPTION PERMIT (mL657) must also be submitted.

If the vehicle was recently acquired and previously unregistered by the applicant, the applicant must present proper ownership documents. A title on the vehicle in the applicant's name is required (the title fee is \$25.00, plus \$10.00 for each lien recorded). If the vehicle has been previously registered in Connecticut in the applicant's name, proof of previous registration or existing certificate of title must be presented.

The vehicle is exempt from the Connecticut sales/used tax if it is used directly in the agricultural production process. For tax exemption you must present a FARMER'S TAX EXEMPTION Permit (mL657) obtained from the Department of Revenue Services, 4000 Columbus Blvd, Ste 1, Hartford, CT 06103-1837. (NOTE: The FARMER'S TAX EXEMPTION PERMIT (mL657) must be in the same name as the farm registration in order to qualify for tax exemption.)
