E. Signature

The RMV reserves the right to contact the Massachusetts Department of Veterans' Services and/or the appropriate branch of the U.S. military to verify an applicant's claim of an award. If an applicant's claim of receipt of an award cannot be confirmed, the RMV may refuse to issue the plate, may revoke an active plate, and may refer the matter to the proper authority for investigation.

I am applying for the designated registration plate based on my receipt of an awarded medal. **I understand that I am entitled to one set of plates for each medal awarded and that I can choose a Passenger or Motorcycle registration, as appropriate for my registered vehicle.** I also understand that I must provide additional documentation of a separate awarded medal if I seek an additional set of Awarded Medal Plates for another vehicle.

I hereby certify, under the penalties of perjury, that I have received the award as claimed and I am entitled to the plate representing that award. I agree to cooperate with the RMV and the Department of Veterans' Services if additional information about my award is needed.
