REMARKS:

FORM INFORMATION

DMV links all records together based on your customer number. Always use your customer number and the same name with DMV.

Individual Customer Number: Your customer number is your Oregon driver license (ODL), Identification card (ID) or instruction permit number if you have one. If you do not have an Oregon customer number, one will be assigned to you.

Business Customer Number: If you know your business customer number, list it on the application.

One-time Mailing Address: Where you want the title and/or registration document mailed if different than residence or mailing. **Vehicle Address:** Where vehicle is primarily housed or dispatched from if different address than the residence or business.

Address Change: Only the address listed for the owner shown on Line 5 will be changed if it is different than DMV records. DMV will update your vehicle and driver record. Additional owners can change their address online at DMV2U.oregon.gov.

Work Address: If an owner has a work/public agency address on file with DMV and wants that address to be used for the vehicle record, that person must be listed on Line 4 and the work address listed on Lines 5 and 6.

IMPORTANT NOTICE FOR VEHICLES WITH A COMBINED WEIGHT OVER 26,000 POUNDS

Vehicles subject to weight-mile tax must be registered with the Commerce and Compliance Division (CCD) of ODOT. This applies primarily to vehicles with a registration weight of 26,001 pounds or more.

If you wish to register or renew a vehicle with a registration weight in excess of 26,001 pounds with DMV, you must certify the vehicle is not subject to weight-mile tax. A farm plated vehicle must register with DMV even if it is subject to weight-mile tax while being operated under a contract farm carrier permit.

Vehicles with registration weight of less than 26,001 pounds may also be subject to weight-mile tax if the vehicle's combined weight is 26,001 or more. This would include, for example, a vehicle used exclusively to tow manufactured structures, because the manufactured structure is not included in the registration weight, but is part of the combined weight. If the combined weight of your vehicle is 26,001 pounds or more, you must register with CCD.

If you do not know if your vehicle is subject to weight-mile tax, contact the Commerce and Compliance Division, 3930 Fairview Industrial Drive SE, Salem, Oregon 97302-1166. Or call (503) 378-6699.

COMMERCIAL VEHICLE - DRUG AND ALCOHOL TESTING CERTIFICATION

I certify:

- Commercial vehicle: I know the applicable federal motor carrier safety regulations and hazardous materials regulations or compatible state regulations.
- Registered with truck (T) plates: I have an in-house drug and alcohol testing program that meets the federal requirements; or I am a member of a consortium that provides testing that meets federal requirements; or I am exempt from the above requirements.
