

## ODOMETER DISCREPANCY ACKNOWLEDGEMENT

**PURPOSE:** Vehicle owners use this form to acknowledge that the odometer information on their vehicle title certificate is branded as "NOT ACTUAL" or to request odometer research and process a held title.

**INSTRUCTIONS:** Read form thoroughly, then sign where indicated.

The federal Truth in Mileage Act Regulations (49CFR580.5, et. seq.) requires that a person or dealer in whose name a motor vehicle is titled disclose the mileage when there is a transfer of ownership. This protects both the buyer and the seller.

The odometer reading provided to DMV for the above referenced vehicle is **less** than a previous odometer reading for this vehicle. Pursuant to DMV policy, the vehicle's title certificate will use the **higher** odometer reading AND the title will be branded as "NOT ACTUAL". The branding of the vehicle title certificate as "NOT ACTUAL" **decreases** the market value of the vehicle. As the vehicle owner: *(you must check one of the boxes below)*

I accept the "NOT ACTUAL" vehicle title certificate branding with the higher odometer reading and will not pursue changes to the certificate's odometer branding. (This option can also be selected if the vehicle's odometer is broken or not functional. Selecting this option may possibly void the vehicle's warranty.)

I acknowledge my odometer reading has been recorded as not actual with the higher odometer reading and my title is being held. I understand I will not receive a title until I provide additional supporting documentation and research is completed. I have been provided information explaining the process. I understand DMV's review process is final and may result in a not actual brand on my title.

I also certify and affirm that all information presented in this form is true and correct, that any documents I have presented to DMV are genuine, and that the information included in all supporting documentation is true and accurate. I make this certification and affirmation under penalty of perjury and I understand that knowingly making a false statement or representation on this form is a criminal violation.
